

SEPTIC-CON

SEPTIC-CON BY THE NUMBERS

- **OVER 800** IN ATTENDANCE

A concentrated group of decision-makers interested in learning about your products and services.

- **+40** EDUCATION SESSIONS

Participate in over 40 sessions, held on topics like design, innovation, health and safety, entrepreneurship and marketing related to the OSS field.

- **+60** EXHIBITORS & EQUIP

More than 60 of the industry's top manufacturers and suppliers sharing innovations and enhancing our knowledge and expertise in this field.

As an on-site septic system professional (Pumper, O&M Tech, Installer, Designer, Regulator, or a Manufacturer/Supplier) you are an unsung hero of our country's wastewater infrastructure ... celebrate your contribution to this essential work with us at SEPTIC-CON 2024!

We are dedicated to providing a voice for our Manufacturers/Suppliers by offering a place to showcase your products, but we are also offering a platform for connection and growth. We would like to invite you to be an exhibitor and presenter at SEPTIC-CON 2024 in Tacoma, WA.

As an exhibitor, you will have the unique opportunity to market your products and services to a captive audience of on-site

septic designers, contractors, operations and maintenance professionals, pumpers, along with state and local regulators and municipalities.

SEPTIC-CON 2023 was a huge success and ended up being WOSSA's largest event to date, with over 800 people in attendance. From the amount of activity that we saw in the exhibit hall again this year, the SEPTIC-CON Conference continues to be a premier venue for exhibitors in the Northwest to showcase their products as well as meet current and potential clients. This conference brings together a group of decision-makers interested in learning about your products and services.

SEPTIC-CON 2024 - February 2nd and 3rd, 2024

LOCATION: TACOMA CONVENTION CENTER - 1500 Commerce St, Tacoma, WA 98402
